inefficient reason for discontinuing the grant (vide ^{no} 34-17)
when Mr. Rea, Deputy Secretary, North Mysore
planters' Association, Kulasa requested
the continuance of the grant to the dispensary at
Kulasa. The Senior Surgeon who was consulted
in the matter was of opinion that the grant

is not free from ambiguity in the sense
that it now puts it by the D.T.'s & the
Senior Surgeons. It is I think quite
open to the Fund to say that the Dispensary
will serve all the estates round about
Kalaria if they will contribute to the Fund
& join the scheme. I do not see
any reason why estates which do not
pay for the maintenance of the Dispensary
should be entitled to its benefits.

It will be a wiser policy to persuade
all the estates in the neighbourhood
to join the Fund and keep the

Final Note by the Second Member of Council.

Subject:-

Continuance of the grant-in-aid to the Kalasa Medical Fund
Dispensary.

H. The grant-in-aid to the Kalasa Medical Fund sanctioned for one
year in the first instance in Government Order No. 995-8/Med. 33-15-28^x
dated 1st August 1916 was, with the approval of His Highness, continued^x
for a further period of two years in Government Order No. 3102-5/Med.
E 34-17-5 dated 4th December 1917.

2. As this sanction will expire shortly, the Secretary of the Fund
has applied for the further continuance of the grant.

3. The Senior Surgeon who was consulted in the matter recommends
the continuance of the grant for another year on the express condition
that medical aid would be given to the coolies of all the estates round
about Kalasa. He considers that this is condition (2) of the order
of August 1916 but the condition as there laid down is not so clear on
the point.

4. As it is the policy of the Government to afford increasing
facilities for medical relief, I am of opinion that the grant may be
continued from year to year subject to the conditions originally laid
down, so long as the dispensary is maintained in an efficient condition.
The Senior Surgeon will be called upon to submit a report annually
about its condition.

5. This proposal may be graciously approved.

Senior Surgeon with the Government of

To

Chief
The Secretary to the Government of

H. H. the Maharaja of Mysore,

Dept., Bangalore.

Sir,

E With reference to your letter No. G. 1393, dated 18th July 1919, requesting me to submit a report on the working of the Kalasa Medical Fund Dispensary and my opinion regarding the continuance of the grant-in-aid to the institution after the expiry of the period of two years for which it had been sanctioned in G.O. No. 3102-5-Med. 34-17-5, dated 4th December 1917, I have the honor to state that the institution ~~has~~ is reported to have treated 4,678 out-patients during the year 1918, giving an average of 11.15 patients per day. The President of the District Board, who had been requested to consult the Board in the matter has forwarded with his letter No. C. 139 (19-20), dated 12th October 1919, a resolution ^(copy enclosed) of the Board recommending the continuance of the grant-in-aid on the condition that those who do not subscribe to the Fund are also given treatment free as in the adjacent Local Fund Dispensary. I agree with the District Board whose resolution is in accordance with condition (ii) laid down in G.O. No. 995-8-Med. 33-15-28, dated 1st August 1916, sanctioning the grant-in-aid in the first instance. I therefore request that the grant-in-aid may be continued for another year on the express condition that medical aid will be ^{given} ~~afforded~~ at the dispensary to the coolies of all the estates round about Kalasa who may apply for the

same, and not merely to the coolies of the estates that
subscribe to the Fund, as is now reported to be the case.

I have the honor to be,

Sir,

Your most obedient servant,
